About MatchToCollege

MatchToCollege is an AI-powered counselling platform that helps students quickly discover colleges that fit their profile, interests, and budget by analyzing dozens of factors across thousands of institutions in India. Instead of endless manual research, students share their academic background and career goals once, then receive personalized college recommendations plus access to expert human counsellors for one-on-one guidance from shortlisting to admission. The platform is designed to be free, unbiased, and fast, turning a confusing search process into a clear path toward a dream college.

AI-Powered Precision

Our advanced algorithms fit parameters to find colleges that perfectly match your profile, classes, and goals.

AI-Powered College Comparison

Compare colleges side-by-side with clear ratings, fees, culture, and student life, and more. Compare. Finally, insight.

Smart Application Tracking

Track application progress, easily identify acceptance chances, and more. Smart alerts keep you informed every step of the way.

Unified University Chat Inbox

Messages of your university consolidated in one intelligent inbox, with real-time data, logs, and history. Streamline college.
